

VANTAGEPOINT

BENEFIT ADMINISTRATORS

Transit Reimbursement Account

TRA Eligible Expenses

This plan allows employees to pay for work-related commutes on a pre-tax basis. Employees save by paying lower social security, federal, state, and sometimes local taxes

- The Transit program is an electable benefit calculated on a monthly basis
- Reimbursement limits are based on your account balance at the time of use
- There is no “use it or lose it” provision under this plan
- Any unused balances roll over into the subsequent month
- You may stop, start, increase or decrease your elections as needed throughout the year.
